

RMSA Regional Seed Vault

Accession Sheet / Acquisition Intake Form

Please print and fill out page one with your personal information. *For each seed variety* you send for storage in the RMSA Regional Seed Vault please print and complete page two (as fully as possible). **This is a two-page document.** Include additional sheets for each seed variety sample and mail to: *Rocky Mountain Seed Alliance, Attn: Collections Manager, PO Box 4736, Ketchum, ID 83340.*

The RMSA Regional Seed Vault is a long-term seed storage facility. Its primary function is to provide a secure and redundant backup for seeds that have unique and/or desirable characteristics or special circumstances around their story. **The RMSA Regional Seed Vault is not intended to replace each seed saver's responsibility to establish secure, community-based and/or personal seed storage facilities.**

RMSA promises to never grow, sell, trade or otherwise distribute your stored seeds without your written consent. Seeds will be returned to donor upon request.
